## EDUCATION

0000-0000 University of California Doctor of Pharmacy Candidate  
School of Pharmacy  
San Francisco, California

0000-0000 University of California Bachelor of Science, Biology  
San Deigo, California

## PHARMACY PRACTICE EXPERIENCE

### 0000 Intern Pharmacist

Longs Drug Stores  
Oakland, California  
Supervisor: Patrick Troughton, Pharm.D.

- Dispensed prescriptions; processed new verbal and written orders and refill requests; handled insurance billing; compounded prescriptions; counseled patients on prescription and OTC products; ordered stock items

0000-0000

### Intern Pharmacist

Stanford Health Services  
Palo Alto, California  
Supervisor: Jon Pertwee, R.Ph.

- Evaluated floor stock, new orders, and non-formulary items in order to fill Pyxis 0000 machines; compounded a variety of IV products as well as TPNs using Micro- and Macro-Mix systems
- Performed order entries after screening for non-formulary items, incorrect doses, inappropriate antibiotic use; filled and packaged non-unit dose products; assisted nurses in solving missing order/dose problems

0000-0000

### Independent Researcher

#### Department of Clinical Pharmacy, UCSF

Preceptors: Tom Baker, Pharm.D., Peter Davison, Pharm.D.

- To identify herbs, dietary supplements and vitamins that are used by people with diabetes and evaluate their effect on blood glucose; information collected from literature review will be used to develop a resource guide for community pharmacists and formatted for publication.

## CLINICAL CLERKSHIPS

Spring 0000

### Outpatient Pharmacy Clerkship

Laguna Honda Hospital, San Francisco

Preceptor: Colin Baker, Pharm.D.

- Will participate in various outpatient clinics; evaluate patients' drug therapies from chart reviews and patient interviews; provide appropriate recommendations in drug therapy

Fall 0000

### **AIDS Consult Service**

**San Francisco General Hospital, San Francisco**

**Preceptor: Sylvester McCoy, Pharm.D.**

- Worked with medical students and consulted on patients with HIV/AIDS in Ward 5A
- Evaluated appropriateness of antiretroviral therapies and treatment/prophylaxis of opportunistic infections by monitoring adherence, adverse reactions, T-cell count, viral load
- Interviewed patients and recommended drugs of choice in the Pulmonary Clinic and participated in daily didactic sessions

Fall 0000

### **Critical Care Rotation**

**Stanford Hospital & Clinics, Palo Alto**

**Preceptor: Paul McGann, Pharm.D.**

- Actively participated in daily morning and afternoon rounds by recommending treatment options, drug information, necessary laboratory tests
- Responsible for patients in medical and surgical intensive care units; monitored their drug therapies, lab and microbiology results, ICU flowsheets
- Worked with satellite pharmacist to assist nurse and physicians in ICU; presented a one-hour didactic session to ICU team

Summer 0000

### **Cardiology Inpatient Rotation**

**UCSF Moffitt-Long Hospital, San Francisco**

**Preceptors: Christopher Eccleston, Pharm.D., David Tennant, Pharm.D.**

- Participated in daily Cardiology rounds, didactic teaching sessions, pharmacy meetings, weekly journal reviews
- Monitored patients' drug therapies and lab parameters daily; recommended new medications and/or dosages when appropriate; interviewed new patients; handled discharge planning including prescriptions, patient counseling and follow-up phone calls
- Provided patient medication histories, clinical pharmacy notes, pharmacokinetic and discharge notes to patients' charts

Summer 0000

### **General Medicine Inpatient Rotation**

**UCSF Moffitt-Long Hospital, San Francisco**

**Preceptors: William Hartnell, Pharm.D., Peter Cushing, Pharm.D.**

- Participated in daily work rounds, attending rounds and weekly journal reviews
- Interviewed new patients to obtain complete medication histories; monitored drug therapies and lab values/cultures for drug interactions and adverse reactions; adjusted medication regimens and recommended new medications when appropriate
- Provided discharge counseling; phoned prescriptions to pharmacies; participated in patient satisfaction study by conducting follow-up phone calls

## **PRESENTATIONS AND LECTURES**

March 0000

*Tips on Inpatient Clerkships*

Presentation to CP148 Students

- November 0000      ***Use of Cyclooxygenase Inhibitors in Pain Management***  
 Presentation to 5A Consult Team  
 Selective Elective – AIDS Consult Service  
 San Francisco General Hospital
- October 0000      ***Treatment of Heparin-Induced Thrombocytopenia and Thrombosis***  
 Presentation to ICU team, inpatient pharmacy staff, students  
 Selective Elective – Critical Care Rotation  
 Palo Alto, California
- August 0000      ***A Resource Guide for Community Pharmacists: Herbal Remedies, Dietary Supplements, and Vitamins Used to Improve Blood Glucose Control and Those that are Contraindicated in People with Diabetes Mellitus***  
 National Association of Chain Drug Stores Education Foundation  
 Poster Presentation at NACDS National Meeting  
 San Diego, California
- August 0000      ***The Use of Tirofiban in Acute Coronary Syndromes and Percutaneous Coronary Intervention***  
 Presentation to clinical faculty and peers  
 Clinical Pharmacy 148  
 University of California at San Francisco
- August 0000      ***A Comparison of Three Months of Anticoagulation with Extended Anticoagulation for a First Episode of Idiopathic Venous Thromboembolism***  
 Journal review presented to faculty and peers  
 Clinical Pharmacy 148  
 University of California at San Francisco
- July 0000      ***Use of Somatostatin or Octreotide in Acute Non-variceal Upper Gastrointestinal Hemorrhage***  
 Presentation to General Medicine Team  
 Clinical Pharmacy 148  
 University of California at San Francisco
- June 0000      ***Proposed Treatment of Hiccups***  
 Presentation to General Medicine Team  
 Clinical Pharmacy 148  
 University of California at San Francisco

## TEACHING EXPERIENCE

- 0000-0000      **Instructor – Cardiopulmonary Resuscitation/Basic Life Support**  
 University of California at San Francisco
- Instructed first and third-year pharmacy students on infant, child, and adult CPR, Heimlich maneuver and Automated External Defibrillator techniques

- 0000-0000      **Instructor – Glucose Screening for Diabetes**  
 University of California at San Francisco
- Instructed pharmacy and medical school students on the techniques of using glucose meters to screen for Type II diabetes in the community setting
- 0000      **Instructor - Half Moon Bay High School CPR Day**  
 Half Moon Bay, California
- Instructed high school students on the techniques of infant, child and adult CPR
- 0000-0000      **Instructor - MedTeach Program at Youth Guidance Center**  
 San Francisco, California
- Worked with UCSF medical students and the UCSF Science and Education Partnership office to teach basic science/health topics and social issues to incarcerated teenagers
  - Organized lecture materials, models and video presentations for two-hour sessions and conducted small group discussions
- 0000      **Assistant Instructor**  
 British Advanced Institute of Science and Technology  
 Leeds, U.K.
- Taught conversational English in intensive five-week course to university students in Korea; structured group activities, seminars and classroom agendas to help students with the American culture and language
- PROFESSIONAL/UNIVERSITY LEADERSHIP & ACTIVITIES**
- 0000-0000      **Member**  
**Graduation Committee, Class of 0000**  
**University of California at San Francisco**
- Organized catering, decorations and entertainment for the reception at the June 0000 Graduation
- 0000-0000      **Director/Assistant Director**  
**Pharmacy School Orientation Committee**  
**University of California at San Francisco**
- As Assistant Director, organized Orientation 0000; coordinated Peer Advisee/Advisor Match Program and dinner; organized counselor breakfast session; prepared the orientation packet for the Class of 0000
  - As Co-Director, coordinated all aspects of orientation activities for the incoming class of 0000; interviewed and selected new counselors; designated committees and their responsibilities; managed orientation activities and Welcome Packets; trained the new Assistant Directors for their upcoming responsibilities
- 0000-present      **Peer Advisor**  
**School of Pharmacy**  
**University of California at San Francisco**
- Acted as a mentor for first-year student by offering advice about classes, exams, housing, campus life

- 0000-0000
- Project Coordinator**  
**Diabetes Project - APhA/Academy of Students of Pharmacy**  
**University of California at San Francisco**
- Organized health fairs; conducted training sessions for pharmacy and medical students for glucose screening; performed presentations to increase awareness about diabetes
  - Gathered educational materials; health fair supplies from community sources; solicited sites for screening opportunities; actively recruited students for health fairs; developed promotional materials and conducted training sessions

- 0000-0000
- President**  
**British American Health Professional Student Association**  
**University of California at San Francisco**
- Coordinated all activities of the organization such as community health fairs, Professional Reception/Dinner, cultural festival, cultural movie nights, social events with other professional schools in the Bay Area
  - Grouped members into specific committees, delegated responsibilities and recruited students from Schools of Dentistry, Medicine, Pharmacy and Nursing, and Graduate Programs

- 0000-0000
- Research Assistant/Lab Supervisor**  
**Principle Investigator: James Watson, Ph.D.**  
**University of California at Irvine**
- In charge of the oncogene mouse project under guidance of PI; prepared experiment and laboratory protocols; assigned individual project duties to students; supervised and trained students; reported results of experiments at weekly meetings to fellow students and PI
  - Identified homologous regions of mRNA in humans, avies, and rats to determine regulatory protein sequences that have been conserved in these species
  - Bred transgenic mice to try to isolate pure strains of oncogenic animals; isolated DNA from mice tail samples using protein purification and PCR assays

## **COMMUNITY ACTIVITIES**

- 1997
- Volunteer**  
**American Diabetes Association Walk-a-Thon**  
Palo Alto, California
- Assisted in registering individuals and groups for the walk; attended training session for volunteers; collected funds from walkers

- 0000-0000
- Executive Staff Treasurer**  
**Southern California British College Student Association**  
Los Angeles, California
- Balanced accounts, handled payments, prepared monthly and bimonthly reports
  - Organized and participated in special fundraising events, weekly community volunteer work, and community organization meetings

0000-0000

**Speaker Relations Manager  
British American Leadership Conference**

Los Angeles, California

- Organized 60 panelists/guest speakers for a three-day student leadership conference which gathered over 500 students from Western states

**AWARDS**

0000

**NACDS Education Foundation Research Award**

*A Resource Guide for Community Pharmacists: Herbal Remedies, Dietary Supplements, and Vitamins Used to Improve Blood Glucose Control and Those that Are Contraindicated in People with Diabetes Mellitus*

National Association of Chain Drug Stores

Awarded at National Conference in San Diego, California

0000

**Leadership Award**

British American Lion's Club

San Francisco, California

0000

**Project of the Year: Diabetes Project**

Academy of Students of Pharmacy, UCSF

**PROFESSIONAL ORGANIZATIONS**

American Pharmaceutical Association – Member

Academy of Students of Pharmacy - Member

California Pharmacists Association – Member

Pharmacist Society of San Francisco – Member

American Society of Health-System Pharmacists - Member

California Society of Health-System Pharmacists – Member

Golden Gate Society of Health-System Pharmacists – Member

Kappa Psi Pharmaceutical Fraternity - Member

**PROFESSIONAL MEETINGS ATTENDED**

0000

**Midyear Regional Meeting**

American Pharmaceutical Association-Academy of Students of Pharmacy

Newport Beach, California

0000

**Western Pharmacy Education Faire**

California Pharmacists Association

Santa Clara, California

0000

**CSHP Seminar '00**

California Society of Health-System Pharmacists

Long Beach, California

0000                    **Pharmacy Conference and Managed Care Forum**  
**National Association of Chain Drug Stores**  
San Diego, California

0000                    **The Medical Management of AIDS: A Comprehensive Review**  
**of HIV Management**  
**Department of Medicine; University of California, San Francisco**  
San Francisco, California

#### **CERTIFICATIONS**

Cardiopulmonary Resuscitation Instructor

#### **LANGUAGE SKILLS**

Fluent in Korean (written, spoken)
