

LUKE SKYWALKER

luke.skywalker@ucsf.edu ♦ (111) 111-1111

EDUCATION

University of California, San Francisco (UCSF)

D.D.S.

Expected 20xx

Boston University (BU)

B.S. in Chemistry, Minor in Economics

00/20xx

- 3.75 GPA, *Magna Cum Laude*

DENTAL EXPERIENCE

Name of Organization, City, State Abbreviation

00/20xx – Present

City, State Abbreviation not necessary if location is already in the name of the organization (e.g., UCSF)

Title / Preceptor: Name and Degree of preceptor

- Provide a description of your responsibilities. Start with a strong active verb and consider using the ACE formula
- Include relevant skills and the impact your work had to show RDs how you could contribute to their team
- To add more depth to your clinical experiences, consider adding the following points of descriptive text:
 - Setting (e.g., community clinic, hospital, nonprofit)
 - Patient populations (e.g., culturally diverse patients, Spanish speaking patients)
 - Clinical issues (e.g., issues related to diabetes, women's health, hypertension)
 - Clinical skills and responsibilities (e.g., triage, assessment, counseling)
 - Teams you were working with (e.g., consulting with social workers, collaborating with nurses and doctors)

SOMA Dentistry, San Francisco, CA

00/20xx – 00/20xx

Externship / Preceptor: Kathy Crowne, DDS

- Participated in patient care planning, which involved creating treatment plans and daily chart review
- Conducted an in-service on infection and sterilization protocols in the clinic to an audience of 20 people, which included various dentists, dental students, and dental assistants
- Independently performed and excelled in periodontal therapies, root canal therapies, and work with fixed and removable prosthodontics

Hershey Dental Group, Pomona, CA

00/20xx – 00/20xx

Externship / Preceptor: Caroline Flossington, DDS

- Created educational pamphlets on gum disease prevention for patients in English and Spanish
- Utilized endodontic instruments and technologies, including rotary instruments, microscopes, and digital imaging
- Developed experience in managing complex cases, such as calcified pulp chambers and multiple root structures
- Collaborated with a team of dentists, dental hygienists, and dental assistants to promote efficiency in managing patients and plan of care

Westlake Dentistry, Redding, CA

00/20xx – 00/20xx

Dental Assistant / Preceptor: Pierce Colgate, DDS

- Completed numerous prosthodontic cases and gained hands-on experience in fabricating and fitting crowns, bridges, dentures, and implant restorations

- Applied digital technology and traditional techniques to design and create custom prosthetics
- Utilized various instruments and technologies, including rotary instruments, microscopes, and digital imaging under the guidance of the attending dentist

RESEARCH

Institution, Name of Department, Title 00/20xx – 00/20xx

City, State Abbreviation - *not necessary if location is already in the name of the organization, e.g. UCSF*

Advisor: Name and Degree of Advisor/PI

Study: Title of Study

- Provide an overview of the project focus
- Include the main responsibilities related to the research
- Briefly describe the outcomes resulting from your research (manuscript in preparation, poster presentation, etc.)

University Canada West Department of Biology/The Fluoride Project 00/20xx – 00/20xx

Advisor: Petunia Flosslie, DMD, MPH

Study: Assessing the Prevention of Fluoride Varnish in the Unhoused Population

- Conducted a literature review on fluoride varnish and its impacts on the unhoused population
- Collected informed consent documents and analyzed potential risks and strategies for mitigation for the IRB
- Manuscript in press

University of Southern California, Department of Dentistry/Gum Disease Prevention Project 00/20xx – 00/20xx

Advisor: Ronald McCavity, DMD, MS, MPH

Study: Evaluating the Impact of Non-Surgical vs. Surgical Treatment for Gingivitis

- Investigated the effectiveness of various non-surgical and surgical interventions for gingivitis to improve general oral health by conducting extensive literature reviews for a meta-analysis
- Employed the R programming language to conduct statistical analysis encompassing over 20 research studies
- Wrote the abstract and introduction section of the research study
- Poster presentation at the ADEA Research Conference 20xx in Denver, Colorado

COMMUNITY LEADERSHIP EXPERIENCE

Free Dental Clinic, San Francisco, CA 00/20xx – 00/20xx

Volunteer Student Provider / Preceptor: Jasmine Smiles, MD, MPH

- Conducted free dental treatment on a weekly basis for the San Francisco unhoused population, including initial visits, crowns, fillings, and deep cleaning
- Interpreted for monolingual Spanish-speaking patients in order to better communicate treatment options and facilitate informed decision-making
- Created patient education pamphlets on brushing technique and healthy eating habits

Community Healthcare Center, San Francisco, CA 00/20xx – 00/20xx

Healthcare Volunteer / Preceptor: Jessica Cavitini, DDS

- Collaborated with medical, pharmacy, and nursing students in an interprofessional setting in order to provide a holistic care approach to underserved adults
- Facilitated and reinforced oral hygiene care, performed dental screenings, and provide referrals to dental resources and programs in the Bay Area

Oral Wealth Wellness Event, Alameda, CA 00/20xx – 00/20xx

Volunteer / Preceptor: Jared Colgate, DDS

- Supported dental team with root canal treatment at a weekend-long volunteer event that provided free dental services to over 2,000 people
- Conducted outreach to fundraise for medical and dental supplies and created patient education stations on a variety of topics, e.g. gum disease prevention, proper brushing technique, and flossing

UNIVERSITY LEADERSHIP & SERVICE

American Dental Education Association (ADEA), San Francisco, CA 00/20xx – 00/20xx

Mentor Coordinator / Club Advisor: Rachel Green, DMD

- Spearheaded initiatives to foster support and connection at UCSF by overseeing the mentorship program and organizing three community building events
- Co-organized events at UCSF Parnassus to fundraise for free dental supplies for low-income patients

UCSF Dental Student Organization (DSO), San Francisco, CA 00/20xx – 00/20xx

DI Representative / Club Advisor: Bob Ross, DDS

- Increased visibility of organization by promoting 10 events on social media platforms, e.g. Instagram and TikTok
- Collaborated with other students to plan five outreach events, resulting in a 30% increase in membership

CONTINUING DENTAL EDUCATION

- Advanced Endodontics: Pain Management in Root Canals, Pink Dental Group 00/20xx
- Dental Practice Management, Port Business School 00/20xx
- Temporomandibular Joint Disorders and Non-Surgical Interventions, SD Dentistry 00/20xx
