EDUCATION

University of California, San Francisco (UCSF)

D.D.S.

Expected 20xx

Morehouse College, Atlanta, GA

B.A. Spanish

00/20xx

- 3.9 GPA

ORAL AND MAXILLOFACIAL SURGERY (OMFS) RESEARCH

Institution, Name of Department, Title

00/20xx – 00/20xx

City, State Abbreviation - *not necessary if location is already in the name of the organization, e.g. UCSF*

Advisor: Name and Degree of Advisor/PI

Study: Title of Study

- Provide an overview of the project focus
- Include the main responsibilities related to the research
- Briefly describe the outcomes resulting from your research (manuscript in preparation, poster presentation, etc.)

UCSF Department of OMFS, Research Assistant

00/20xx – 00/20xx

Advisor: Nimbus Flossington, DDS

Study: Understanding Post-Orthognathic Surgery Complications in HIV-Positive Patients

- Sought to improve treatment outcomes following orthognathic surgery for HIV-positive patients by assessing their rate of infection-related complications relative to the general population
- Sought IRB approval and contributed to study design and data collection methods
- Presented a poster illustrating pooled analysis of six trials for HIV-positive patients after orthognathic surgery and increased infection rates while compared to the general population

UCSF Department of OMFS, Research Assistant

00/20xx – 00/20xx

Advisor: Cole Gate, DDS

Study: Utilizing Artificial Intelligence to Improve Early Oral Cancer Diagnosis

- Worked to improve diagnostic methods for identifying oral cancer in its early stages using various AI models
- Trained several neural network architectures in cancer identification by feeding them images of early-stage oral squamous cell carcinomas, then began the validation testing process
- Submitted abstract and presented poster at the Digital Dentistry & Dental Technology 20xx Conference

UCSF Department of OMFS, Research Assistant

00/20xx – 00/20xx

Advisor: Tom Crest, DDS

Study: Assessing Disparities in Access to Preventative Oral Health Care Among the Unhoused

- Assessed the incidence of chronic pericoronitis among the unhoused residents of San Francisco, with a focus on cases where early radiographic examination and third molar extraction could have prevented recurrence
- Recruited study candidates and conducted data analysis based on patient demographics and medical information

- Submitted data through survey research regarding the likelihood of unhoused patients experiencing symptoms of chronic pericoronitis

LEADERSHIP AND SERVICE

Name of Organization, City, State Abbreviation 00/20xx – Present

City, State Abbreviation - not necessary if location is already in the name of the organization (e.g., UCSF)

Title / Preceptor: Name and Degree of preceptor

- Provide a description of your responsibilities. Start with a strong active verb and consider using the ACE formula
- Include relevant skills and the impact your work had to show RDs' how you could contribute to their team
- To add more depth to your clinical experiences, consider adding the following points of descriptive text:
 - Setting (e.g., community clinic, hospital, nonprofit)
 - Patient populations (e.g., culturally diverse patients, Spanish speaking patients)
 - Clinical issues (e.g., issues related to diabetes, women's health, hypertension)
 - Clinical skills and responsibilities (e.g., triage, assessment, counseling)
 - Teams you were working with (e.g., consulting with social workers, collaborating with nurses and doctors)

American Dental Education Association (ADEA), UCSF

00/20xx – 00/20xx

President

- Supervised activities of ADEA chapters within a five-state region, leading to a significant increase in membership
- Trained leaders in organization, advocacy, DEI, and faculty/student relations on their campuses
- Edited and wrote articles for the ADEA Western region newsletter
- Initiated a unique program series called "What Matters to Me and Why" which was designed to raise awareness about academic dental careers and inspire students to emulate leading dental professionals
- Organized postgraduate admissions training seminars for students interested in applying to oral surgery, perio and orthodontic residency programs

Community Dental Clinic, UCSF

00/20xx – 00/20xx

Volunteer

- Engaged in treatment planning, coordinated schedules with providers, and prepared paperwork in order to increase access to care for San Francisco's unhoused residents
- Provided oral health education to unhoused residents of San Francisco who presented with 3+ caries lesions
- Worked in collaboration with providers and independently to provide dental services, including scaling and root planning, fillings, dental fabrication, and extractions

American Student Dental Association (ASDA), UCSF

00/20xx – 00/20xx

Pre-Dental Board Committee Member

- Co-organized and oversaw activities at a variety of ASDA events, for example by providing mentorship and application coaching to approximately 15 pre-dental students during Admit Day
- Facilitated our pre-dental webinar and coordinated related social media outreach and promotions prior to the event in order to generate interest and engagement
- Consulted 1-on-1 with pre-dental students and provided feedback on their personal statements

OMFS Club, UCSF

00/20xx – 00/20xx

Journal Club Coordinator

- Coordinated with faculty and board members in order to strategically expand club membership and increase funding for club initiatives

- Organized meetings, chose weekly discussion topics, and facilitated sessions in order to promote student learning
- Collaborated with OMFS residents to increase access to mentorship for first-generation dental students pursuing an OMFS residency

ORAL SURGERY EXTERNSHIPS AND CLINICAL EXPERIENCE

Externship at Stanford University, Stanford, CA 00/20xx – 00/20xx

- Gained experience with dentoalveolar procedures, implant, and Lefort I patient management in the outpatient clinic and operating room

Internship at UCSF, San Francisco, CA 00/20xx – 00/20xx

- Shadowed the outpatient clinic and learned patient management skills and treatment planning from residents

Externship at Mayo Clinic, Rochester, MN 00/20xx – 00/20xx

- Observed orthognathic procedures in the operative room and provided assistance to the residents with extraction and trauma cases

HONORS AND AWARDS

UCSF Conway Twitty Memorial Scholar 00/20xx

UCSF National Boards Scholar 00/20xx

UCSF Barbara Mandrell Scholar 00/20xx
