

# Ibn al-Baitar

(000) 000-0000 | Ibn.alb@anywhere.com

## EDUCATION

*University of California, San Francisco (UCSF)*

Doctor of Pharmacy Candidate

Expected 00/20xx

*University of California, Berkeley (UCB)*

Bachelor of Science, Pharmaceutical Sciences

00/20xx

## INDUSTRY EXPERIENCE

*Title, Name of Organization, City, State Abbreviation*

00/20xx – Present

*City, State Abbreviation (not necessary if location is already in the name of the organization (e.g., UCSF))*

*Advisor: Name, degree*

- Provide a description of your role and responsibilities. Start with a strong **active verb** and consider using the **ACE formula**.
- Include relevant skills and your accomplishments to demonstrate how you could contribute to their team

*Medical Affairs Intern, Coeus Consulting Group, San Francisco, California*

00/20xx – Present

Advisor: Bruce Banner, PharmD

- Prepared therapy landscapes and critically determined what sets a therapy apart
- Conducted medical literature research and assess clinical results
- Developed clinical evidence reports based on clinical and economic evidence
- Identified opportunities and obstacles new drugs face when newly approved and entering the market

*Catalyst Intern, UCSF Catalyst Program and Foundation*

00/20xx – 00/20xx

Advisor: Tony Stark, MD

- Cultivated a deeper understanding of the drug discovery process including intellectual property, commercial potential and regulatory issues, clinical trial patient population and trial endpoints by drafting Target Product Profiles in collaboration with Catalyst Awardee project teams
- Created a target product profile (TPP) for a potential drug that will be used for the treatment and reversal of non-alcoholic steatohepatitis (NASH) with a novel mechanism (an acid ceramidase inhibitor)

## RESEARCH EXPERIENCE

*Title, Institution, Name of Department*

00/20xx – 00/20xx

*Supervisor/Principle Investigator (PI): Name and Degree of advisor/PI*

*Title of Study*

- Provide an overview of the project focus
- Include the main responsibilities related to the research
- If applicable, briefly describe the outcomes resulting from your research (manuscript in preparation, poster presentation, etc.)

*Research Intern, UCSF, Office of Research*

00/20xx – 00/20xx

PI: Dr. Strange, MD, PhD

*Study: Rapid Acceleration of Diagnostics (RADx) Tech*

- Collaborated with a team of scientists on NIH Rapid Acceleration of Diagnostics (RADx) Project to develop and validate molecular assays to screen for SARS CoV-2 resulting in increased testing capacity in the U.S.
- Designed and executed experiments using qPCR and a variety of other amplification methods
- Performed meta-analysis of commercially available rapid antigen tests to determine detection rates for past and present SARS-CoV-2 mutations

*Research Assistant, UCSF Drug Research Unit*

00/20xx – 00/20xx

PI: Blanche Devereaux, Pharm.D.

*Study: Evaluation of Clinical Pharmacist Interventions on Medication Error Reduction: A Retrospective Study*

- Group research project with 2 other students involving chart reviews of 150 patients on the cardiology floor to assess the effect of clinical pharmacist interventions on medication error reduction
- Compared the accuracy of medications listed in pharmacy patient profiles and nursing medication administration records to physician orders
- Quantified the discrepancies and categorized them by source and by drug class; Evaluated the effect of clinical pharmacist interventions in reducing discrepancies

- Manuscript submitted 00/20xx

## ADVANCED PHARMACY PRACTICE EXPERIENCE

**Name of Department:** Name of Institution, *City, State Abbreviation* 00/20xx – 00/20xx

Preceptor: Name and Degree

- Provide a description of your role and responsibilities. Start with a strong active verb and consider using the ACE formula. To add more depth to your clinical experiences, consider adding the following points of descriptive text:
  - Setting (e.g., community clinic, hospital, nonprofit)
  - Patient populations (e.g., culturally diverse patients, Spanish speaking patients)
  - Clinical issues (e.g., issues related to diabetes, women’s health, hypertension)
  - Clinical skills and responsibilities (e.g., triage, assessment, counseling)
  - Teams you were working with (e.g., consulting with social workers, interprofessional teams, etc.)

### Acute Care - Infectious Diseases

UCSF Medical Center, Parnassus 00/20xx – 00/20xx

Preceptor: Nina Simone Pharm.D.

- Evaluated antimicrobial therapy and formulated recommendations during rounds for the infectious diseases consult team
- Formulated initial dosage of vancomycin or aminoglycosides and performed pharmacokinetic calculations to adjust and optimize therapy
- Screened patients eligible for IV to PO conversion per pharmacy protocol
- Performed a thorough literature review on XYZ medication dosing in skin and soft tissue infections and prepared a comprehensive document summarizing the results and formulated recommendations

### Acute Care – Psychopharmacotherapy

00/20xx – 00/20xx

Zuckerberg San Francisco General Hospital, CA

Preceptor: Stella Chan, PharmD

- Rounded with residents and attendings of upwards of 12 patients per day on an interdisciplinary team and recommended psychiatric medications based on APA or CANMET guidelines for the management of bipolar disorder and schizophrenia
- Optimized patient’s non-psychiatric medications for HTN, diabetes, and ASCVD per respective guidelines
- Provided summaries of patients’ medication and psychiatric history by navigating through collaterals from sources including Care Everywhere, AVATAR, Epic, and Order Connect
- Created study handouts which included disease state pathophysiology, medication dosing, side effects, and monitoring for antipsychotics and antidepressants

### Hospital Operations

Kaiser San Francisco, CA 00/20xx – 00/20xx

Preceptor: William Procter, Pharm.D.

- Worked-up patients to recommend warfarin dosing following cardiac surgeries
- Completed quality assurance projects such as updating the chemotherapy extravasation medication supplies kit and compiling a list of all pre-mixed IV bags with their concentrations
- Lead a journal club on the use of REGEN-COV for COVID post-exposure prophylaxis
- Shadowed pharmacists in a variety of practice settings including the ICU, pediatrics, and antimicrobial stewardship

### TO BE COMPLETED

- *Variable Ambulatory Care Clinics:* multiple sites
- *Community Systems/Practice:* Walgreens, UCSF
- *Ambulatory Care: Cardiology:* UCSF Medical Center
- *FDA:* Data Quality and Integrity

## CLINICAL PRESENTATIONS

- “Cardiac Drug Interactions with Paxlovid”, UCSF Medical Center Parnassus. 00/20xx
- “Urinary Tract Infection in Diabetes”, UCSF General Medicine Clinic 00/20xx
- “Siponimod Drug Monograph”, Zuckerberg San Francisco General Hospital 00/20xx

## INTRODUCTORY PHARMACY PRACTICE EXPERIENCE

**Concentrated Health Systems:** UCSF Benioff Children’s Hospital 00/20xx – 00/20xx

Preceptor: Cosmo Kramer, Pharm.D.

- Developed a comprehensive education resource on albumin IV indication for pediatric population
- Delivered medications to different departments and checked the controlled orders before distribution

**Longitudinal Health-Systems:** El Capitan Medical Center, CA 00/20xx – 00/20xx  
Preceptor: George Costanza, Pharm.D.  

- Performed medication reconciliation and recommended pain and bowel movement therapy for orthopedic surgery patients
- Medication optimization included multimodal pain management involving the use of acetaminophen for systemic pain, gabapentin/pregabalin or SNRIs for neuropathic pain, baclofen/cyclobenzaprine/tizanidine for muscle spasms, lidocaine patches for local anesthetics, and scheduled/as needed opioids for greater systemic or breakthrough pain control

**Community Pharmacy:** XYZ Pharmacy, CA 00/20xx – 00/20xx  
Preceptor: Elaine Benes, Pharm.D.  

- Administered immunizations, dispensed medications, and communicated information regarding prescription and non-prescription medications to customers in fast-paced retail pharmacy setting

## LEADERSHIP AND TEAMWORK

**Founder and President, Industry Pharmacists Organization at UCSF (IPhO)** 00/20xx – 00/20xx  

- Co-founded IPhO chapter at UCSF with a goal to shed light on pharmacists' roles in the pharmaceutical industry through inviting speakers and professional development, and Co-lead the Value of Industry Pharmacists (VIP) Case Competition

**Team Competitor, Value of Industry Pharmacists (VIP) Case Competition, IPhO** 20xx  

- Collaborated in a team of 25 to research and present on bringing an investigational humanized monoclonal antibody into the market for the treatment of Alzheimer's
- Developed drug development knowledge by subdividing our teams into various drug development areas including clinical development, marketing, medical affairs, and regulatory affairs
- Partnered within clinical development team to create various clinical trials for phases I, II, and III

**Team Competitor, Pharmacy & Therapeutics Competition, Academy of Managed Care Pharmacy** 20xx  

- Created a monograph and presentation on the hot flash medication Fezolinetant and competed against teams within UCSF

## TEACHING AND MENTORSHIP

**UCSF School of Pharmacy, Respiratory Block** 00/20xx – 00/20xx  
*Teaching Assistant, Professor Wanda Maximoff, Pharm.D*  

- Assisted the course director by grading quizzes and highlighting the concepts students excel at as well as areas for improvement and synthesized complex cases for future cohorts to practice on

**PhAMLI Mentorship Program, UCSF** 00/20xx – 00/20xx  
*Mentee Recruiter/ Coordinator*  

- Co-led recruitment of over 200 students from underserved high schools in Bay Area to participate in UCSF's student-run pre-health and college counseling program

*Mentor* 00/20xx – 00/20xx  

- Provided one-on-one mentoring with first-generation undergraduate students with career aspirations in pharmacy education, drug development and the health care industry

## SELECT AWARDS

Student of the Year Award, UCSF School of Pharmacy 20xx  
UCSF Leadership Scholarship, UCSF School of Pharmacy 20xx

## LICENSURE AND CERTIFICATIONS

American Pharmacists Association (APhA) - Pharmacy-Based Immunization Delivery Issued 09/2019  
California Intern Pharmacist License # INT 123456 Issued 08/2019

## ADDITIONAL SKILLS

- Languages: Fluent in Arabic
- Software: Microsoft Office, SPSS, EPIC, APEX

## PUBLICATIONS

Use APA citation format, there are various free citation generators online.
