Academic Careers: Start Here

Academic Career Development Programs

Are you interested in pursuing a faculty career? In our three academic series, offered annually, you will learn how to: 1) position yourself an academic career while at UCSF and apply for opportunities (PAC-UP), 2) teach skillfully (STEP-UP), and 3) mentor and supervise effectively (TRAIN-UP).

Getting a Faculty Position:

PAC-UP Series: Planning your Academic Career for Upcoming Professors

- Interested in a faculty career? Get started! [1]

Teaching Students: [5]
