

II. Second -Third Paragraph

I. Second Paragraph:

Have you clarified how your most relevant experiences have helped you gain the skills necessary to do the job well? Does the reader get a sense of what motivates and interests you?

Your Turn:

1. Using the skills you mentioned in your first paragraph, begin writing one to two sentences in each row on the right column below:

Second Paragraph Questions	Write Out Your Answers in Complete Sentences
How did you use each skill and what did you gained from each experience?	
What was the environment like in the setting that you used the skill?	
Did you work or collaborate with interdisplinary teams or did using your skill help any colleagues to their job better?	
What did you enjoy about using this skill or working in that environment? What did you find chalenging?	

II. Second -Third Paragraph

II. Third Paragraph continued:

2. Using the skills you mentioned in your first paragraph, begin writing one to two sentences in each row on the right column below:

Third Paragraph Questions	Write Out Your Answers in Complete Sentences
How did you use each skill and what did you gained from each experience?	
What was the environment like in the setting that you used the skill?	
Did you work or collaborate with interdisplinary teams or did using your skill help any colleagues to their job better?	
What did you enjoy about using this skill or working in that environment? What did you find chalenging?
