RELATED EXPERIENCE

New Life Birthing Center, Baltimore, Maryland, 0000 - Present
Nurse Practitioner

- Member of a seven-midwife practice with a not-for-profit healthcare provider. Provide complete prenatal, birth, postpartum and well woman care, including gynecological care, breast examinations, Pap smears and family planning. Instruct courses for new parents on birth preparation, health and nutrition counseling, and breastfeeding support. Extensive experience with waterbirths, breech, vbacs and twins.

University of Maryland Hospital, College Park, Maryland, 0000 - 0000
Nurse Practitioner

- UMCP is a regional tertiary referral center for the State of Maryland with an annual obstetrical census of 7,000 births. Worked with prenatal and postpartum care for hospital-based births of patients with a wide range of age and risk factors. Attended approximately 100 births in the Alternative Birth Center as the primary attendant. Served on a three-member team to expand educational instruction programming to address holistic health, cross-cultural issues in birthing, sibling concerns and bereavement support.

University of California San Francisco, School of Nursing, San Francisco, California, 0000 - 0000
Student Nurse

- As a student nurse, completed a total of 600 hours in five clinical rotations in Community Health, Maternal/Child, Pediatric, Neonatal and Medical-Surgical. Completed a 200-hour senior practicum in Labor & Delivery. Performed gynecological procedures, including endometrial and vulvar biopsy, endocervical curettage, and artificial insemination.

Peace Corps, Kourou, French Guiana, 0000 - 0000
Staff Nurse

- Studied and worked in prenatal, postpartum and newborn care at a medical mission and in the field with Dr. Josephine Johnson. Assisted in developing a traveling educational program for new mothers regarding basic newborn care.

Children's Hospital, Williamston, NC. 0000 - 0000
Staff Nurse

- Worked in 50-bed unit, rotating in the Adolescent Unit and Neonatal Intensive Care. Performed laboratory tests and surgical procedures.
