### HEALTH-RELATED EXPERIENCE

**San Francisco Hepatitis B Collaborative, *Student Nurse Volunteer*, UCSF, CA** 00/0000 – Present

- Provide patient education for at risk populations, screening, and vaccination for Hepatitis B

**Northridge Head Start Program, *Health Worker*, CSU Northridge, CA** 00/0000 – 00/0000

- Collaborated with two social workers in managing a caseload of 100 preschool children from low-income families. Ensured clients met federal Head Start health requirements by monitoring immunizations, medical and dental exams.
- Conducted health screenings in vision, hearing, height and weight and provided resources and referrals to community services. Provided translation for Chinese and Spanish speaking parents.

**Patient Assistance Program, *Patient Advocate*, Los Angeles County Health Dept, CA** 00/0000 – 00/0000

- Enrolled low-income adult patients into Patient Assistance Programs to obtain free medication from community clinics.
- Conducted over 100 interviews with clients to obtain background data and eligibility information. Collaborated with health care providers to ensure patient's access to medication.

**Family Health Center, *Health Educator*, Glendale, CA** 00/0000 – 00/0000

- Counseled women, ages 18 -40, on contraception and birth control, scheduled patient appointments, and updated computerized medical records

### TEACHING EXPERIENCE

**Adult Learning Center, *Tutor*, West Covina, CA** 00/0000 – 00/0000

- Tutored adults, ages 18 – 65, with learning disabilities in math and reading. Assessed each individual's learning style and tailored lesson plans to meet student's needs.

**Laguna Village Retirement Home, *Activities Coordinator*, Glendale, CA** 00/0000 – 00/0000

- Engaged geriatric residents in educational and recreational activities based on needs assessment. Educated patients on use of equipment and the importance of exercise.

**LANGUAGE SKILLS:** Fluent in Cantonese; Conversational Spanish
