Career Development Team for Researchers

Ongoing Development Progress

What we've done recently:

- Relaunched Making INformed Decisions (MIND)
- Reorganized our website content for researchers
- New process for RCOs requesting partnership with CPD
- Launched The Entrepreneurship Resource Kit

What we're working on now:

- Refining website content to ensure accessibility
- Updating sample application documents available on our website

What we'll be working on next:

- New resources for 2nd year PhD students preparing for qualifying exams
- Hiring and onboarding new interns
