

ELLA FITZGERALD, [MS, RN, CNS](#)

(000) 000-0000 · EllaFitzGerald@anywhere.com

EDUCATION

University of California, San Francisco (UCSF)

Master of Science, Nursing, Adult-Gerontology Clinical Nurse Specialist-Oncology

Expected 00/20xx

Grand Canyon University, AZ

Bachelor of Science in Nursing

00/20xx

CLINICAL NURSE SPECIALIST RESIDENCIES

Specialty Area – (e.g. Primary Care)

Name of Organization, City, State Abbreviation**

00/20xx - Present

- Provide a description of your achievements. Start with a strong [active verb](#) and consider using the [ACE formula](#)
- To add more depth to your clinical experiences, consider adding the following points of descriptive text:
 - Setting (e.g., community clinic, hospital, nonprofit)
 - Patient populations (e.g., culturally diverse patients, Spanish speaking patients)
 - Clinical issues (e.g., issues related to diabetes, women's health, hypertension)
 - Clinical skills and responsibilities (e.g., triage, assessment, counseling)
 - Teams you were working with (e.g., consulting with social workers, interprofessional collaboration, etc)

****The city and state are not necessary if location is already in the name of the organization (e.g., UCSF)**

Cardiology

UC Davis Medical Center

00/20xx -00/20xx

- Collaborated in a thirty-bed unit as a member of an interdisciplinary team, providing assessment, interventions, consultation and educational services to cardiology patients
- Performed clinical programming, including performing pre-trial health examinations, compliance oversight for federal guidelines, clinical trials consent forms and data collection
- Developed community education initiatives, including cardiology health, medication and rehabilitation information in the form of one-on-one and small group sessions, and contributing to Heart-to-Heart Talk, the cardiology department education newsletter and website

Hematology/Oncology

Marin General Hospital, CA

00/20xx - 00/20xx

- Provided education and health maintenance and management of individuals undergoing radiation treatment; care focused on mental health and support for at risk individuals
- Conducted skin assessments on bone marrow transplant patients. Provided educational tools and teaching for staff on correct assessment and documentation of skin assessments and GVHD. Provided education to staff on management of Anti-phospholipid antibody syndrome in high risk patients
- Coordinated end of life care and assisted families with decisions while providing supportive care for oncology patients and collaborated with social workers to identify SNFs and hospice placements

Pain Service

Palo Alto Veteran's Administration, CA

00/20xx - 00/20xx

- Monitored and treated patients during radiofrequency ablation and epidural steroid injections, educated patients about pre-/post- procedure preparation and follow up
- Developed comprehensive, multi-modal care plans for patients experiencing chronic pain in the ambulatory care setting

Geriatric Continuum of Care

Kaiser Permanente, San Francisco, CA

00/20xx - 00/20xx

- Visited geriatric patients with complex needs in home settings; performed comprehensive needs assessments (including medical, functional, psychosocial and mental status); recommended interventions
- Designed urinary catheter care education materials for home health and hospice nursing assistant staff; educated 8 staff members

Inpatient Oncology Consult Service

UCSF Medical Center

00/20xx - 00/20xx

- Supported delivery of direct care to oncology patients with mentorship from nurse practitioner and clinical nurse specialist; developed optimal plans of care with the interdisciplinary team
- Developed template for patient calendar for use at discharge in order to educate patients about home medications, lab work, follow-up, and when to contact the provider about concerning signs/symptoms

RESEARCH AND SCHOLARLY ACTIVITIES
