## EDUCATION

---

D.D.S., University of California, San Francisco (UCSF) Expected 2007

B.S. Bioscience, Highest Distinction, University of Tony Stark, Somewhere, XY May 2000  
3.95 GPA, *Avengers Superhero Society*

## DENTAL EXPERIENCE

---

*Dental Assistant, GOTHAM Dental Implants, NY* 2000-2002

- Organized and pulled patients charts, sanitized and autoclaved instruments, and assisted with setup and take down of examination rooms
- Improved understanding of caries control and prevention program, digital radiology, intra oral photography, case presentation, laser dentistry, current advances in Esthetic dentistry and practice management

## DENTAL COMMUNITY SERVICE

---

*Community Dental Clinic (CDC), San Francisco, CA*

Student Coordinator 2005 - Present

- Provided free dental care to the homeless populations in San Francisco, which included triage of patients, patient interview and history taking, conducting dental and oral cancer screening, proposing diagnosis and treatment plan and making referrals for patients who need ongoing specialized or emergency

*“Children’s Health Hut”, UCSF*

Volunteer 2006, 2007

- Educated and advocated good oral health practices to children and their parents through role- and game play and distributed toothbrushes and dental floss

*Smoking Cessation and Oral Cancer Prevention Program, San Francisco Department of Public Health, CA*

Volunteer Educator 2006

- Assisted homeless adults with smoking cessation through facilitating a 6 week educational course on cognitive behavioral smoking cessation techniques and nutrition

*Hepatitis B Health Navigator Project, UCSF*

Student Navigator 2005 - 2006

- Trained and supported community health workers in the development a model on how to help chronic hepatitis B patients navigate the process from diagnosis through ongoing care

*“Give Kids a Smile Day” program, UCSF*

Volunteer 2004, 2005, 2006

- Provided free exams, prophys, and sealants, and taught children about oral health and hygiene

## COMMUNITY LEADERSHIP

---

- President, Superhero Dentistry Society, UCSF* 2006-Present
- Community Service Committee Co-Chair, American Student Dental Association, UCSF* 2005-Present
- Co-chair, POC Health Caucus, UCSF* 2005-Present
- Secretary, Stark Society, UCSF* 2004-2005
- DI Representative, Treasurer, POC Health Professional Student Association UCSF* 2003-2004

## RESEARCH EXPERIENCE

---

*Summer Research Fellow, School of Dentistry, UCSF, California, CA*

2006

- Assessed the Child Oral Health Impact Profile (COHIP), a questionnaire designed to measure oral-health related quality of life (OHRQoL) in children and adolescents, for its factorial structure and reliability by confirmatory factor analysis
- Collaborated with the Center to Address Disparities in Children's Oral Health (CANDO) and the Consortium for Health And Malocclusion, Perceptions In Oral Needs (CHAMPION) global oral health study
- Presented poster "Hoye "Superman" Super Hombre? Are quality-of-life instruments equivalent across border?" at the 2004 Research and Clinical Excellence Day
- Co-authored for the paper "Prevalence of mutants and experimented humans in eight cities"

*Student Researcher, Department of Epidemiology, UCSF*

2003-2006

- Identify high- and medium-risk populations through cost-effective oral cancer screening and change risky behavior based on social behavior theories.
- Demonstrated a positive temporal association between metabolic syndrome and oral premalignancies independent of other risk factors
- Presented poster "Metabolic Syndrome and Development of Joker Syndrome" at the 2006 Society for Villain Epidemiology Research annual conference in Gotham

## CONTINUING DENTAL EDUCATION

---

- Dental Implant Fundamentals, Dental Conference, 2006
- Teeth Whitening by Bleaching Seminar, California Dental Association Conference, 2006
- Multidisciplinary Implant Seminar, Ohio Dental Conference, 2005
- Contemporary Occlusion and Esthetics for the Restorative Dentist, Connecticut Dental Session, 2004
- Occlusal and TMJ Pain Management for the Patient in Pain, Rhode Island Dental Association, 2004

## PRESENTATIONS AND PUBLICATIONS

---

*Poster Presentations*

- "Metabolic Syndrome and Development of Joker Syndrome". Poster Presentation, Society for Villain Epidemiology Research annual conference, Gotham, NY 2006
- "Hoye "Superman" Super Hombre? Are quality-of-life instruments equivalent across border?". Poster Presentation, UCSF Research and Clinical Excellence Day, 2004
