DENTAL RESEARCH EXPERIENCE

0000-Present **Research Assistant**, Dr. Margaret Moth Lab, School of Dentistry, UCSF, CA
Under the direction of Dr. Moth, conducted research on a project examining the role of cytokines in cancer pain using the basic techniques to produce a mouse cancer model, evaluate of pain behavior, and tissue analysis by HPLC. Also isolated DNA and RNA from tissue specimens and analysis using PCR methods, handled and monitored the behavior of mice; tissue processing; HPLC and PCR analysis and data collection.

PROFESSIONAL DENTAL EXPERIENCE

0000-0000 **Laboratory Technician**, Little Wasp Hospital, Los Angeles, CA
Responsibilities included creating full dentures, removable partial dentures and fixed bridges, crowns, veneers and orthodontic appliances and splints.

COMMUNITY DENTAL SERVICE

0000-0000 **Volunteer Student Dentist, UCSF Homeless Dental Clinic**, San Francisco, CA
Volunteering twice a month, screened, diagnosed, and treated homeless people, provided free dental care to the homeless populations in San Francisco, which included triage of patients, patient interview and history taking, conducting dental and oral cancer screening, proposing diagnosis and treatment plan and making referrals for patients who need ongoing specialized or emergency.

Summer 0000 **Volunteer Dental Assistant/Interpreter at the Oakland Free Clinic**, Oakland, CA
Screened, diagnosed, and treated children and adults, served as interpreter (Cantonese) between the dental staff and patients. Translated documents and contacted monolingual patients with follow up care issues.

Springs 0000, 0000 **Children's Health Hut, UCSF, School of Dentistry, CA**
The UCSF Children's Health Hut is a non-profit volunteer organization committed to improving the health of children. Visit sites included playgrounds, community centers, and schools within San Francisco neighborhoods promoting health education and facilitating access to health care. Responsibilities included educated and advocated good oral health practices to children and their parents through role- and game play and distributed toothbrushes and dental floss.

ADDITIONAL PUBLIC HEALTH SERVICE

0000 – 0000

Assistant Manager (student intern) Student Health Center,
University of California, Santa Barbara, CA
Assisted Wellness Program manager with training and supervision of first year student
interns. Functioned as a Peer Health and Wellness Educator working with students on
an individual level in addition to conducting group workshops. Coordinated the
“Outreach” component focusing on health education through public speaking.
