MARIE CURIE

(123) 456-7891 | marie.curie@ucsf.edu

EDUCATION

University of California, San Francisco (UCSF)
D.D.S.

Expected 20xx

- 3.9 GPA

New York University (NYU)

00/20xx

B.S. Chemistry

- 4.0 GPA, National Honors Society

ENDODONTIC-FOCUSED DENTAL EXPERIENCE

Name of Organization, City, State Abbreviation

00/20xx – Present

City, State Abbreviation (not necessary if location is already in the name of the organization (e.g., UCSF))

Title / Preceptor: Name and Degree of preceptor

- Provide a description of your responsibilities. Start with a strong [active verb](#) and consider using the [ACE formula](#)
- Include relevant skills and the impact your work had to show RDs' how you could contribute to their team
- To add more depth to your clinical experiences, consider adding the following points of descriptive text:
 - Setting (e.g., community clinic, hospital, nonprofit)
 - Patient populations (e.g., culturally diverse patients, Spanish speaking patients)
 - Clinical issues (e.g., issues related to diabetes, women's health, hypertension)
 - Clinical skills and responsibilities (e.g., triage, assessment, counseling)
 - Teams you were working with (e.g., consulting with social workers, collaborating with nurses and doctors)

Bridgerton Endodontics, Oakland, CA

00/20xx – 00/20xx

Externship / Preceptor: George Potato, DDS

- Completed endodontic cases, including root canal therapy, with Dr. George Potato, DMD, as one of four students chosen to provide endodontic dental services to the underserved in Alameda County
- Observed various modalities of endodontic treatment, including surgery operating microscope and CBCT 3D imaging
- Collaborated with other students to provide post-operative instructions to patients after endodontic surgeries

UC Portland Dental Clinic, CA

00/20xx – 00/20xx

Observer / Preceptor: Jim Floss, DDS

- Shadowed faculty and residents at the San Antonio and Houston Clinics through different rotations, including periodontal therapies, root canal therapies, and fixed and removable prosthodontics
- Provided chairside assistance during emergency endodontic therapy procedures for low-income patients with chronic pain and abscesses

Land's Down Dentistry, Cerritos, CA

00/20xx – 00/20xx

Dental Assistant / Preceptor: Selena Fluoride, DDS

- Assisted Dr. Selena Fluoride in endodontic dental services for restorative treatment and prophylaxis in a community clinic
- Facilitated the rooming process for Spanish-speaking patients and presented post-operative instructions in Spanish
- Managed safety controls for various endodontic instruments and technologies, including rotary instruments,

microscopes, and digital imaging

RESEARCH

Institution, Name of Department, Title

00/20xx – 00/20xx

City, State Abbreviation (not necessary if location is already in the name of the organization, e.g. UCSF)

Advisor: Name and Degree of Advisor/PI

Study: Title of Study

- Provide an overview of the project focus
- Include the main responsibilities related to the research
- Briefly describe the outcomes resulting from your research (manuscript in preparation, poster presentation, etc.)

UCSF Department of Orofacial Sciences/Oral Health Impact Project

00/20xx – 00/20xx

Advisor: Agatha Flossla, DMD, MS, MPH

- Compared oral health practices post-root canal procedure in an endodontic-focused clinic with various populations in San Francisco at the 3-month and 12 month follow-up visit
- Obtained salivary samples, analyzed digital radiographs, and audited and analyzed data
- Presented a poster on the decrease in root canal therapy failure rates during follow-up visits for patients who floss daily versus those who floss irregularly

UCLA Department of Endodontics/Pain Management Education Project

00/20xx – 00/20xx

Advisor: Agatha Flossla, DMD, MPH

- Improved understanding of pain management by coordinating a research project focused on opioid use vs the combination of NSAIDs
- Assisted with writing abstracts and data analysis to explore approaches to endodontic management interventions
- Contributed to the publication of an article which showed a greater reduction in pain scores and inflammation while using NSAIDs as oral analgesics compared to opioids

COMMUNITY LEADERSHIP EXPERIENCE

Coral Health Clinic, San Francisco, CA

00/20xx – 00/20xx

Screener/Educator / Preceptor: Daniel Lark, MD, MPH

- Served as a healthcare educator for a high-volume volunteer clinic located in the Soma district that primarily serves the Filipinx population
- Translated healthcare pamphlets into Tagalog to increase accessibility in anatomy and medical knowledge
- Organized all the clinic's documentation and coordinated volunteers' schedules to ensure patient access to care

UCSF Pain Management Clinic, San Francisco, CA

00/20xx – 00/20xx

Student Volunteer Coordinator / Preceptor: Jessica Cavitini, DDS

- Provided dental exams, oral hygiene, and sealants to over 100 underserved patients in San Francisco county with a focus on pain management
- Developed experience in managing complex cases, such as calcified pulp chambers and multiple root structures
- Used various surgical techniques, including suture placement and post-operative wound management

PROFESSIONAL LEADERSHIP & SERVICE

American Dental Education Association (ADEA), San Francisco, CA

00/20xx – 00/20xx

Treasurer / Club Advisor: Jacob Flossington, DDS

- Managed club funds, including both collection and disbursement, to maintain proper budget and accuracy in financial records
- Incorporated both UCSF and ADEA's financial policies in order to generate financial reports each quarter

- Co-organized the UCSF ADEA high school outreach conference, which hosted approximately 150 students from 35 high schools in the Bay Area

American Association of Women Dentists at UCSF, San Francisco, CA

00/20xx – 00/20xx

President / Club Advisor: Jacob Flossington, DDS

- Led weekly meetings with club members, which involved creating powerpoint presentations that recapped the previous week
- Developed a mentoring program for undergraduate students who were interested in dentistry, which included hosting informational sessions on endodontics, pediatrics, and DAT courses

CONTINUING DENTAL EDUCATION

- Know How to Manage Dental Trauma, Pleasanton Dental Group 00/20xx
- How to Work in a Multidisciplinary Team for Root Canal Pain Management, Thomas D Group 00/20xx
- Management in Better, Faster, and Safer Root Canals, California Dental Conference 00/20xx
