EDUCATION

University of California, San Francisco (UCSF)
D.D.S.

Expected 20xx

Carmel College (CC)

00/20xx

B.S. Biology

- 4.0 GPA

DENTAL EXPERIENCE

Name of Organization, City, State Abbreviation

00/20xx – Present

City, State Abbreviation (not necessary if location is already in the name of the organization (e.g., UCSF))

Title / Preceptor: Name and Degree of preceptor

- Provide a description of your responsibilities. Start with a strong [active verb](#) and consider using the [ACE formula](#)
- Include relevant skills and the impact your work had to show RDs' how you could contribute to their team
- To add more depth to your clinical experiences, consider adding the following points of descriptive text:
 - Setting (e.g., community clinic, hospital, nonprofit)
 - Patient populations (e.g., culturally diverse patients, Spanish speaking patients)
 - Clinical issues (e.g., issues related to diabetes, women's health, hypertension)
 - Clinical skills and responsibilities (e.g., triage, assessment, counseling)
 - Teams you were working with (e.g., consulting with social workers, collaborating with nurses and doctors)

Dr. Perry and Don's Periodontic Partnership, San Francisco, CA

00/20xx – 00/20xx

Dental Assistant

- Increased productivity by preparing dental equipment and assisting chairside for procedures such as alveoloplasty, osseous surgeries, gum grafts, implants, and other periodontal periodontal procedures.
- Communicated with diverse patients regarding their comprehensive periodontal treatment plan in order to answer questions and facilitate informed patient decision-making.
- Coordinated with patients and dentists to efficiently schedule appointments and follow-up.

Oral & Maxillofacial Surgeon, San Francisco Office of Dr. Jan Plath, Oral Surgery

00/20xx – 00/20xx

Dental Assistant

- Directly involved in patient care preparation for procedures, assisting, and post-operative care.
- Assisted with surgeries such as sinus and ridge augmentations, implant placements, extractions, biopsies, and soft tissue manipulation.

DENTAL RESEARCH

Institution, Name of Department, Title

00/20xx – 00/20xx

City, State Abbreviation (not necessary if location is already in the name of the organization, e.g. UCSF)

Advisor: Name and Degree of Advisor/PI

Study: Title of Study

- Provide an overview of the project focus
- Include the main responsibilities related to the research
- Briefly describe the outcomes resulting from your research (manuscript in preparation, poster

presentation, etc.)

UCSF School of Dentistry, Research Associate

00/20xx – 00/20xx

PI: Don Perio, DDS

Study: Assessing Vaping as a Risk Factor for Peri-Implantitis

- Compared the incidence of peri-implantitis among smokers, non-smokers, and e-cigarette users in order to assess vaping as a risk factor for implant failure.
- Recruited study participants, co-developed the study design, and conducted the quantitative analysis.
- Abstract accepted for the American Academy of Periodontology - Annual Meeting 20xx.

UCSF School of Dentistry, Research Assistant

00/20xx – 00/20xx

PI: Molly Smythe, DDS

Study: Assessing Literacy & Understanding of Dental Terminology Among ESL Adults

- Collaborated on a research project focused on determining English literacy of foreign language speaking community in San Francisco.
- Developed an assessment questionnaire for the subjects to determine their ability to understand and translate common dental terminology.
- Coauthored an abstract and a poster at a regional conference showcasing the results of the study.

LEADERSHIP AND SERVICE

Periodontal Student Club, UCSF School of Dentistry

00/20xx – 00/20xx

President

- Directed school-wide events such as resident case presentations, suturing events for 30+ students, lunch and learns, and study groups aimed to enhance student knowledge and interest in periodontics.
- Organized and increased club meetings to review recent papers, journals, and articles.
- Collaborated with the UCSF periodontal director to improve the predoctoral periodontal curriculum via additional lectures and lunch and learns for the class.

UCSF Dental Association

00/20xx – 00/20xx

Mentorship Chair

- Expanded the mentorship program for over 50 pre-dental post-baccalaureate students of Bay Area universities.
- Enhanced pre-doctoral student education by creating multiple simulation lab tutorials, as well as application and mock interview workshops for dental school application process.

UCSF Dental Association

00/20xx – 00/20xx

Class Representative

- Directed outreach events and provided dental screenings and oral hygiene education to over 100 children.
- Planned and executed a Pre-dental Conference to over 300 student attendees, aimed to increase pre-dental student interest in the dental field and knowledge about the dental education process.
- Gave lectures and conducted an anatomy introductory workshop.

UCSF Dental Clinic

00/20xx – 00/20xx

Volunteer

- Collaborated with colleagues to present dental education and oral hygiene instructions to the unhoused community of San Francisco.
- Provided free dental treatment for the unhoused population, including comprehensive exams, deep cleanings, restorative work, dentures, and extractions.
- Conducted treatment planning and coordinated scheduling with providers in order to ensure timely access to care.

UCSF School of Dentistry Admissions Committee

00/20xx – 00/20xx

Interviewer

- Interviewed prospective dental students and provided input and recommendations regarding their admission.
- Provided guidance on school culture and dental school curriculum to candidates at "Getting to Know UCSF" Day.
