HEALTH & INTERPRETER EXPERIENCE

Patient Advocate/Doula. *The Washington Free Clinic*, Washington, DC (0000-0000)

Served as interpreter and patient advocate in weekly prenatal clinic, teaching women about the stages of pregnancy, taking vitals, providing counseling for HIV tests, administering HIV tests, and assisting Latina women with their communication needs during pregnancy tests and prenatal exams with midwives or physician. Attended births of Latina women who request the presence of a doula (birth assistant) to provide support during their birth experience.

Women's Program Coordinator/Manager. *Lar Linda Tanure*, Manaus, Brazil (0000)

Created and managed a small organization to serve existing needs of local women. Arranged classes including alternative nutrition, family planning, and sewing, and mediated discussion groups.

Community Health Volunteer. *Amanecer*, Cochabamba, Bolivia (0000)

Organized daily activities for formerly homeless and/or abused children (ages 4-12) as part of a program intended to smooth their transition to a healthy and secure childhood. In collaboration with peers, persuaded adolescents to leave the streets and enter a rehabilitation program.

Escort/Interpreter. *The Center for Hemispheric Defense Studies*, Washington, DC (0000)

Assisted Latin American civilian and military fellows with day to day communication and needs during their stay in Washington. Assisted with protocol duties such as communicating with Latin American contacts and arranging for future conferences.

PROJECT MANAGEMENT & HEALTH POLICY EXPERIENCE

Task Manager. *USAID/Partnerships for Health Reform, Abt Associates Inc.*, Bethesda, MD (0000-0000)

Provided logistical coordination for international donor meetings, monitors spending, edits reports, fields consultants, participates in interagency meetings, provides research support, and drafts scopes of work for the following Special Initiatives: Maternal Reproductive Health, Immunization Financing, Integrated Management of Childhood Illnesses, and the Polio Eradication Initiative.

Researcher. *USAID/ Partnerships for Health Reform, Abt Associates Inc.*, Bethesda, MD (0000-0000)

helped conduct a PHR study and write the report on the impact of donor funding of the polio eradication initiative on routine immunization funding. Helped conduct an immunization financing assessment in Ghana and write the report.

Conference Facilitator. *KARI-USAID-SPAAR Sustainable Financing Initiative Workshop*, Kenya (0000)

Coordinated flights, hotel reservations, and per diems for 24 USAID-sponsored participants. Contributed to the production of summary documents.

Project Assistant. *USAID/(MVE) Agriculture Policy Reform Project in Egypt, Abt Associates Inc.*, Bethesda, MD (0000)

Fielded a team consisting of two US expatriates and their Egyptian counterparts. Provided financial assessments of the project work-plan and served as the liaison with USAID (Washington based) project officers.
