 University of California at Davis: Department of Chemistry
 Planned and taught laboratory and discussion sections for classes of 30 students weekly.
 Answered students' questions, prepared discussion and quiz material, graded exams.

Honors, Awards and Activities:

UCSF Regents Scholarship	00-current
Rho Chi Pharmacy Honors Society	00-current
UCSF School of Pharmacy Education Policy Committee	00-current
Phi Delta Chi Professional Pharmacy Fraternity	00-current
AP Giannini Middle School Health Teach Mentor	00
UC Davis Department of Molecular Cell Biology Outstanding Service Award	00
Outstanding Graduate Student Instructor Award	00
Phi Beta Kappa and Golden Key National Honor Society	

Additional Skills:

Hindi and Tagalog – Fluent in speaking
 Computers – Proficient in IBM Microsoft Word, Excel, Access, Publisher, Power Point, and Paint Shop Pro

UCSF Clinical Pharmacy 4th year rotations:

Completed:

- ◆ UCSF Pain management Service Fall 0000
 Maximized, initiated and adjusted pain control medications for post-operative pts. on orthopedic spine service. Acted as primary team for drug related issues such as electrolyte replacement, antibiotic selection and dosing, and bowel regimens to resolve constipation.
- ◆ UCSF Cardiology Service Fall 0000
 Worked closely with physicians by making drug therapy recommendations; checked for drug-drug interactions, monitored relevant patient laboratory values; performed pharmacokinetic calculations on medications to ensure therapeutic efficacy while avoiding toxicities.
- ◆ UCSF General Medication Service Summer 0000
 Monitored and recommended drug dosing base on patient's renal, hepatic function and drug efficacy. Prevented and researched potential drug-drug interactions. Facilitated patient discharge and follow up.
- ◆ UCSF Oncology: Bone Marrow Transplant Service Summer 0000
 Monitored chemotherapy dosing and drug-drug interactions. Adjusted and recommended antibiotic dosing and selection for immunocompromised patients. Monitored and tailored antiemetic therapy to maximize chemotherapy tolerance. Negotiated with insurance companies for drugs such as Zofran® and Neupogen® for cancer patients.
- ◆ SFGH Outpatient Clinics Spring 0000
 Anticoagulation, Lipid, Diabetes, Mediset and General Medicine clinic, St. Francis Memorial Hospital
 Inpatient Externship
 Assess drug therapies for adverse drug reactions, interactions, compliance and appropriateness; refill prescriptions, patient drug education and consultation. Perform physical exam and order appropriate laboratory tests to monitor drug therapy. Monitor and adjust warfarin dosing; IV and TPN preparation.

Scheduled for Winter 0000:

- ◆ Kaiser Permanente Outpatient HIV Clinic
- ◆ Kaiser Permanente anticoagulation Clinic
- ◆ Laurel Heights/UCSF Drug Product Services
