EDUCATION

0000 – 0000

University of California San Francisco
School of Pharmacy, San Francisco, CA
Doctor of Pharmacy, June 0000

0000 – 0000

Santa Clara University
Santa Clara, CA
Bachelor of Science, Biology, June 0000

PHARMACY PRACTICE EXPERIENCE

March 0000 –
June 0000

Intern Pharmacist

Pharmaceutical Infusion Therapy, 1606 Fifth Street, Berkeley, CA
Supervisor: Svetlana Savitskaya, Pharm.D.

Provided clinical services for patients receiving home infusions. Reviewed patients' past medical history, medication profile and indication for home infusion therapy. Spoke with patients over the phone, as well as physicians and nurses regarding patients' medications and regimens. Monitored appropriate laboratory parameters and performed pharmacokinetic analyses of aminoglycosides and vancomycin.

October 0000 –
March 0000

Research Assistant

UCSF Department of Clinical Pharmacy
Supervisor: Valentina Tereshkova, Pharm.D.

Participated in pharmacy resident's project evaluating the antibiotic prescribing practices of physicians at UCSF. Activities included a retrospective analysis of antibiotic ordering sheets (AOS).

June 0000 –
June 0000

Intern Pharmacist

Peninsula Hospital, 1783 El Camino Real, Burlingame, CA
Supervisor: Yuri Gagarin, Pharm.D.

Responsibilities included prescription filling, IV and TPN compounding, PCA and epidural compounding, utilizing computerized patient profiles, entering IV orders, communicating with pharmacists, nurses and physicians, and working with Pyxis machines.

November 0000 –
April 0000

Research Assistant

UCSF Department of Clinical Pharmacy

Supervisors: Georgi Dobrovolski, Pharm.D. and Anatoli Filipchenko, Pharm.D.

Participated in a pharmacy resident's and pharmacy fellow's research project studying the nephrotoxicity of Amphotericin B to determine the risk factors for developing nephrotoxicity due to Ampho B. Activities included a retrospective analysis of patient charts to evaluate and document nephrotoxicity associated with Ampho B.

CLINICAL CLERKSHIPS COMPLETED

Summer 0000

Drug Information Analysis Service

Elective outpatient clerkship

University of California San Francisco, Laurel Heights Campus

Preceptors: Aleksei Gubarev, Pharm.D. and Yevgeny Khrunov, Pharm.D.

Received drug information questions over the phone from UCSF physicians, nurses, pharmacists and faculty; researched the answers using numerous clinical resources including textbooks, the internet, Medline database, BIOSIS database and International Pharmaceutical Abstracts database; reviewed the strategies and answers with the faculty preceptors; and communicated the answer to the caller.

Fall 0000

General Medicine

Inpatient clerkship

University of California San Francisco Medical Center

Preceptors: Vasili Lazarev, Pharm.D., and Aleksei Leonov, Pharm.D.

Actively participated on the inpatient general medicine team in the team-approach to drug therapy selection, drug dosing, and monitoring response to therapy. Additional activities included discharge planning, medication counseling, and inservice education to the team.

Orthopedic Surgery/Pain Management

Inpatient clerkship

University of California San Francisco Medical Center

Preceptor: Oleg Makarov, Pharm.D.

Actively participated on the orthopedic surgery team in pre and post-operative care of patients undergoing orthopedic surgery. Activities included daily rounds with the surgical team, assessing patients' pain and writing orders under protocol for acute pain management, monitoring laboratory values, discharge planning and medication counseling.

Winter 0000 -
0000

Infectious Disease

Elective inpatient clerkship

University of California San Francisco Medical Center

Preceptors: Andrian Nikolayev, Pharm.D., and Nikolai Rukavishnikov, Pharm.D.

Actively participated on the infectious disease consult service team. Activities included daily pharmacy rounds and attending rounds where the recommendations were made to the team regarding antibiotic choices and doses. Appropriate parameters were monitored including laboratory values, cultures and sensitivities, daily vital signs and response to therapy. Activities also included weekly infectious disease grand rounds and antibiotic talks.

Winter 0000

Medi-Cal Managed Care

Elective outpatient clerkship

CalOPTIMA, Orange, CA

Preceptor: Georgi Shonin, Pharm.D.

Participated in the management of the Medi-Cal formulary for Orange County. Participated in developing guidelines for appropriate drug use. Attended Pharmacy and Therapeutics meetings, weekly Care Management Conferences, and special project meetings. Answered drug information questions and participated in drug class reviews.

Spring 0000

Ambulatory Care Medicine and Specialty Clinics

Outpatient clerkship

San Francisco General Hospital

Preceptor: Vladislav Volkov, Pharm.D.

Participated in four pharmacist-run clinics: anticoagulation clinic, general medicine clinic, mediset clinic, and North of Market Clinic for the homeless in San Francisco. Interviewed patients to assess disease state management, screened for side effects and drug interactions and assisted in assessing the therapeutic benefits of medications. Performed patient teaching on medication use, especially for patients receiving warfarin and asthma medications. Communicated with the patients' primary care provider regarding dosing recommendations and side effects.

PRESENTATIONS

Fall 0000

Warfarin Drug Interactions

Inservice to inpatient medicine team at attending rounds with handout
University of California San Francisco Medical Center

The Management of Raynaud's Phenomenon

Inservice to inpatient medicine team at attending rounds with handout
University of California San Francisco Medical Center

The Scientific Evidence for Gabapentin in Neuropathic Pain

Presentation to clinical faculty of the School of Pharmacy and fellow students reviewing and analyzing clinical trials that evaluated the use of gabapentin in neuropathic pain with handout and overheads.

University of California San Francisco Medical Center

The COX-2 Inhibitors: Vioxx and Celebrex

Inservice to nurses on the orthopedic surgery service with handout

University of California San Francisco Medical Center

PROFESSIONAL SERVICE

Spring 0000

*Student Preceptor for Clinical Pharmacy 120 Course:
Introduction to Therapeutics*

University of California San Francisco

Preceptor: Gherman Titov, Pharm.D.

Facilitated weekly discussions with 12 students on numerous topics including anemia, fluid and electrolyte imbalances, acid and base disorders, and renal and hepatic failure. Taught students the SOAP format (subjective, objective, assessment, and plan) for evaluating patient cases provided feedback on their therapeutic decisions. In addition, prepared one of the patient cases for discussion.

Winter 0000

Student Interviewer for Admissions Committee

University of California, San Francisco

Conducted interviews with candidates for admission to the UCSF School of Pharmacy, evaluated the candidates and made recommendations to the Admission Committee.

Fall 0000 –
Spring 0000

Member, APhA Standing Committee on Awards

American Pharmaceutical Association Headquarters, Wash., DC

Evaluate award applications from pharmacy schools across the U.S. to select winners for the Academy of Students of Pharmacy Chapter Achievement Awards, Outstanding Student Awards and Chapter Advisor Awards.

Summer 0000

0000 APhA-ASP/Bristol-Myers Squibb

Summer Leadership Institute

American Pharmaceutical Association Headquarters, Washington, DC

Participated in a conference on leadership in pharmacy. Attendees included the current presidents of the Academy of Students of Pharmacy from all pharmacy schools in the U.S. as well as members of the APhA Standing Committees.

UNIVERSITY SERVICE

Spring 0000 –

Class of 2000 Graduation Coordinator

Spring 0000 Responsibilities include organizing and overseeing student committees to plan the graduation ceremony, graduation reception, class dinner and class picture.

Fall 0000 –
Spring 0000 **California Society of Health Systems Pharmacists Meeting and Special Events Coordinator, UCSF Student Chapter**
Organized student attendance and lodging for CSHP Seminar 0000, ASHP Midyear Clinical Meeting 0000, and CSHP Focus 0000.

Fall 0000 –
Fall 0000 **School of Pharmacy Orientation Counselor**
Participated in a week of orientation events including small group discussions, orientation skits, a two-day camping trip, school tours, and tours of San Francisco.

Fall 0000 –
Spring 0000 **Associated Students of the School of Pharmacy, UCSF Vice President of Social Affairs**
Organized two school-wide social events per quarter, including Welcome Back Picnic, Pharmacy Skit Night, Casino Night, Cyberbowling, Wine and Cheese Event, and Pharmacy Happy Hour.

Fall 0000 -
Spring 0000 **Poison Control Project Coordinator**
Organized student outreach to elementary school children and parents in San Francisco. Students participated in classroom visits and health fairs where they taught children and parents how to identify poisons in the home and outside environment, and how to manage a poisoning at home.

Fall 0000 **Rush Coordinator, Phi Delta Chi Pharmacy Fraternity, UCSF**
Organized and participated in rush events for potential members, including Information Night, Halloween Pumpkin Carving Party, Disco Inferno Party, Professional Night and Wine Tasting in Napa Valley.

COMMUNITY SERVICE

Fall 0000 –
Spring 0000 **Poison Control Project**
Instructed elementary school children and parents through classroom presentations and health fairs on how to recognize poisons, the dangers of poisons and how to respond to a poisoning. Presentations included videos, games and lectures.

Fall 0000 –
Spring 0000 **Lung Cancer Project**
Instructed elementary school children on the hazards of smoking through classroom presentations and at health fairs. Presentations included slides, showing healthy and cancerous lung specimens and games.

Fall 0000 **Phi Delta Chi Clothing Drive**
Collected and delivered clothes from students, faculty and staff at UCSF to a battered women's shelter in San Francisco.

Fall 0000

Glide Memorial Church Soup Kitchen Volunteer

Served dinner to the homeless in San Francisco. Event sponsored by Phi Delta Chi Fraternity.
