QUALIFICATIONS SUMMARY

- Highly qualified medical writer with expertise in writing and editing a variety of scientific documents for healthcare professionals
- Extensive academic and professional research experience in the biomedical sciences, with an emphasis on scavenging disorders
- Excellent oral and written communication skills, with proven ability to manage multiple projects and work well in a team environment

EDUCATION

- **University**, Somewhere Ph.D. in Biomedical Sciences (*Fellow*) 08/00-09/02
- **University**, Somewhere B.A. in Molecular and Cell Biology (*Distinction Scholarship*) 08/00-05/04

MEDICAL WRITING AND RELATED EXPERIENCE

- **Associate Medical Writer, Bio Medical Inc.** 2000-Present
 - Provide scientific writing, editing, and consulting services to pharmaceutical and biotechnology companies
- **Medical Writer Intern, Bio Medical Inc.** 2000-2001
 - Assisted with writing and editing manuscripts, abstracts, and slide decks for clients
- **Freelance Medical Writer, Healthy Medical Writing, LLC** 2000-2002
 - Wrote and edited CME documents, needs assessments, and executive summaries for clients
- **Copyeditor, PodcastToday** 2000-2001
 - Provided quality assessment for weekly *Science* podcasts
- **Staff Writer, Health and Science Section, Newspaper (UCSF student newspaper)** 2000-2001
 - Wrote articles about science and health-related lectures at UCSF; interviewed healthcare professionals
- **Contributing Writer, Science and Technology Section, Daily Newspaper (University student newspaper)** 2000-2001
 - Interviewed principle investigators at University and wrote articles about their research

RESEARCH EXPERIENCE

Biomedical Sciences Graduate Program, University of California, San Francisco Ph.D. Thesis
Principal Investigator: The Man with the Yellow Hat, M.D., Ph.D. 2000-2005

- Discovered therapeutic applications of the small protein in Monkey's disease neurobiology (Results published in Charkie et al., Journal, 2000)

Biomedical Sciences Graduate Program, University of California, San Francisco Ph.D. Rotation
Principal Investigator: Jumpy Squirrel, M.D. 01/00-04/00

- Demonstrated that gain of the protein contributes to the pathogenic effect of acute scavenging disorder (Results published in Gnocchi et al., Journal, 2000)

University Undergraduate Research
Principal Investigator: Compass the Pigeon, Ph.D. 2000-2002

- Discovered a novel role of a hormone in neuroendocrine biology

(Results published in Hundley et al., Journal, 2000)

OTHER RELEVANT EXPERIENCE

- **Co-Organizer for the Club at UCSF** 2000-2001
 - Organized and conducted monthly speaker events related to Curious George
- **Idea to IPO...and Beyond: A Course in the Business of Biotech, UCSF** 2000
 - Wrote and presented a business plan about the development of an orthopedic device company with team members

TEACHING AND MENTORING EXPERIENCE

- Mentor for University summer undergraduate intern, Bill's Bunnies Institute 06/00-08/00
- Science and Health Education Partnership (SEP) Volunteer, UCSF 2000-2004
- Graduate Student Instructor, "Climbing 101", UCSF 04/00-06/00
- Teaching Assistant, "Climbing and Playtime for Non-Native Speakers of Gibberish," UCSF 10/00-12/00
- Co-Founder and Project Coordinator, University Trees and Bushes 2000-2001

COMPUTER SKILLS

- Proficient in Mac and PC platforms
- Experienced in Microsoft Word, Excel, PowerPoint; Adobe Photoshop, Illustrator

HONORS AND AWARDS

- Bill's Bunnies Institute Scientific Poster Award 2000
- Scavenging Association Award for Excellence in Research on Scavenging Disorder and Other Related Disorders 2000
- International Conference on Scavenging Disorder Travel Fellowship 2000
- National Science Foundation Graduate Research Fellowship 2000-2003
- National Science Foundation Graduate Research Fellowship Honorable Mention 2000
- UCSF Graduate Dean's Monkey Climbing Fellowship 2000-2001
- Scavenging Fellows Program Undergraduate Research Fellowship (summer) 2000
- Scavenging Fellows Program Undergraduate Research Fellowship (spring) 2000

POSTERS AND PRESENTATIONS

George C, et al. Presented at the Society for Monkey's conference, Somewhere, CA, 2000 (*Poster*)

George C, et al. Presented at the Scavenger's Association International Conference on Scavenging Disorder, Somewhere, CA, 2000 (*Poster*)

Gnocchi C, Charkie S, Squirrel J, **George C**, et al. Presented at the American Society of Monkeys Annual Meeting, Somewhere, CA, 2000 (*Poster*)

George C, et al. Presented at the Annual Meeting of the Society for Monkeys, Somewhere, CA, 2000 (*Poster*)
